Everything we do is co-designed and co-delivered with young people.

OUR PURPOSE AND VALUES

Our purpose is to empower young people and businesses to make the world of work accessible and supportive.

About the young peer panel

We want to make sure our work represents the views of young people so we're looking for 10-12 young people from the UK (under 30 years-old) to form a peer panel.

This would be a voluntary role for two years with reasonable expenses to be agreed and paid.
